

SuccessFactors Compensation

2BM SUCCESSFACTORS

MOTIVATE YOUR EMPLOYEES WITH SUCCESSFACTORS COMPENSATION

A motivated workforce will give their best. One way to motivate and inspire higher performance is through compensation. It is also a way to retain top talent.

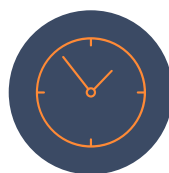

SuccessFactors Compensation lets you model and manage competitive compensation programs for a diversified workforce. Through digitization, it offers transparency and overview across the organization. You will be able to keep track of every little detail as well as the big picture, so you can stay within budget.

With employee compensation as one of your largest annual investments, it is a major component of your strategy. It is crucial that such an investment returns a profit on the bottom line and that is exactly what SuccessFactors Compensation ensures.

KEY BENEFITS

Increased productivity by digitalization of manual processes

Considerable time reduction of administrative and managerial processes

Strategic compensation through integration of employee data

2BM INTEGRATES COMPENSATION INTO YOUR OVERALL STRATEGY

Through compensation, you can show your employees that you care about them and value their effort. When integrated with the broader talent management strategy, SuccessFactors Compensation can become a key component and a real game changer for your business.

Key features

- Intuitive compensation solution for managers and admins
- Customizable compensation processes – salary adjustment, bonus, etc.
- Executive review function for all managers with overview of salary, pay increase, and more
- Variable pay for more complex compensations
- Rewards based on business objectives, team objectives, and individual objectives
- Spot awards compensation for special performances

2BM AS YOUR PARTNER

SuccessFactors is a cloud-based human resources software portfolio provided by 2BM. It incorporates all processes from core HR and Payroll to Time and Attendance Management, Learning and Development, Performance & Compensation, Recruiting & Onboarding, as well as Workforce Planning & Analytics.

2BM offers to manage your cloud licenses and we provide easy and effective project implementations. SuccessFactors enable true digitalization of all your HR processes, but we also provide implementation of just one, single module.

With a long track record in the HR market, we know how to consolidate business and IT in SuccessFactors projects for maximum added value. To truly digitalize HR, you need to look beyond a single solution and consider your entire IT infrastructure.
